

Contactless Payments

Allow customers to tap and pay more securely

Discover[®] Global Network is seeing significant contactless growth

of contactless transactions have grown

+53% YOY

\$ of contactless sales have grown

+67% YOY

from 2022 to 2023 globally.¹

Acquirers and merchants can count on unparalleled service and responsiveness from Discover.

Collaborative Approach

We work hand in hand with our participants to implement the right contactless payment solutions for their customers, without a lengthy upstart process.

Greater Opportunity

We're enabling merchants to accept payments from 25+ card networks around the world, ensuring they can welcome customers from key travel corridors.

Constant Innovation

Our solutions are supporting new market segments for merchants and acquirers, such as our technology that allows payment cards and digital wallets to replace transit tickets.

Merchants & Payment Enablers

According to merchants, contactless payment is overwhelmingly preferred by their customers.²
